

Dear Friend of Montgomery County Association of Business Women:

The mission of the Montgomery County Association of Business Women (MCABW) is to provide a local forum for business women to develop and enhance professional and personal relationships with their peers as well as to give back to Montgomery County as we sponsor other nonprofit organizations and award scholarships to deserving female graduates of Montgomery County high schools.

**MCABW just celebrated our 11<sup>th</sup> year anniversary on August 25, 2016.**

We are excited to announce that our 3rd annual MCABW Foundation scholarship fundraiser will be held April 6, 2017 from 6:00 pm to 9:00 pm. Our Foundation is a 501 (C) 3 and is focused on fundraising to give back to the community of Montgomery County. Our scholarship fundraising event will be held again at the Volkswagen dealership in the Woodlands, Texas. Last year our fundraising event raised enough money to award 12 scholarships to Montgomery County female high school graduates.

Please go to our website [www.mcabw.org](http://www.mcabw.org) to learn more about this important event.

Thank you in advance for your contribution.

Sincerely,

Carol A. Gooch
